Transport Sustainability Summary - Consented Schemes

Red Lion Court LB Southwark

Chenies Street LB Camden

21 Bloomsbury Street

LB Camden

7 Princes Street City of London

Total potential net tonnes of CO2e saved on a typical working day from modal shift and deliveries consolidation

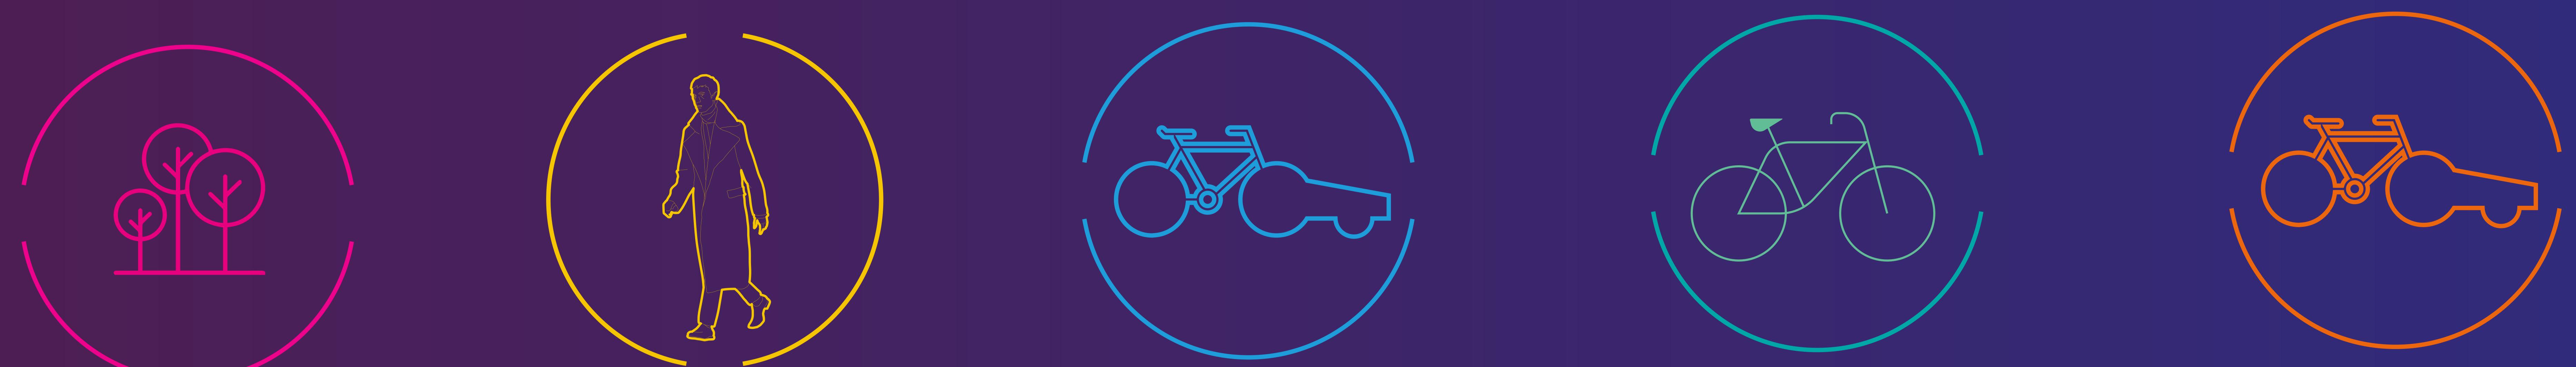

Public Realm Enhancements

Red Lion Court

Chenies Street

21 Bloomsbury Street

7 Princes Street

85 Gracechurch Street

Additional 32 trees to be planted and 2 dedicated parking spaces for cargo bikes.

Public realm and greening improvements to be proposed as part of wider works.

A new servicing strategy which relies on cargo bike deliveries to be implemented, reducing the impact of private vehicle deliveries.

There will be a 50% vehicle consolidation strategy with a 20-minute dwell time, managed through the DSP.

The site would be open to cargo bike deliveries throughout the day and vehicle servicing to occur overnight.

*Yearly assumption:

Yearly total based on an assumption of 233 working days in the UK and assumption of an average two days per week in the office.
